POLITICAL COMMITTEE REGISTRATION FORM

The *Campaign Reporting Act* defines a political committee, in general, to mean two or more persons other than a candidate's campaign committee who are selected, appointed, chosen, associated, organized or operated primarily for a political purpose that is, to influence or attempt to influence an election. The term *political committee* includes political action committees and similar organizations composed of employees or members of any corporation, labor organization, trade or professional association or any other similar group that raises, collects, expends or contributes money or any other thing of value for a political purpose.

The law also requires that political committees register with the Secretary of State within ten days of receiving or spending more than \$500.00 in a calendar year. A one time registration fee of \$50.00 is required. If the political committee does not receive or spend more than \$500.00 in a calendar year, then it is not required to register or file reports of contributions and expenditures.

2. Statement of Purpose

NMER PAC was formed as vehicle to shape the future of economic development in the state of New Mexico. NMER PAC will support state constitutional and state legislative offices whose polices support private enterprise and work to improve the economic climate in New Mexico.

NMER PAC helps New Mexico's business leaders send a strong message to legislators that our members are serious about improving the business climate in New Mexico to help New Mexican families get back to work and New Mexican businesses begin to hire again.

This committee intends to make independent expenditures and, consistent with the U.S. Court of Appeals for the District of Columbia Circuit decision in *SpeechNow v. FEC*, it therefore intends to raise funds in unlimited amounts from individuals and corporations. This committee will not use those funds to make contributions, whether direct, in-kind, or via coordinated communications, to candidates for elected office in the State of New Mexico or committees.
